**VEHICLES and PARKING:** No vehicles are to be left on the Festival site after load in or before tear down. Deliveries and pick-ups are to be made through the delivery gate as specified on the site plan via hand or cart. Any vehicles found on site during the restricted times will be towed at the owner's expense. The only exceptions are emergency and Festival vehicles. Concession parking is available off-site and a parking pass is required. A parking pass will be provided prior to the Festival along with your site number and map, providing your account is in good standing. For clarification, all equipment/vehicles etc. must be contained within your allocated space, and may not be removed until load out on the Sunday. This rule applies to all reefer trucks, storage trucks/units, mobile food units and personal vehicles. If allocated space is exceeded, concessionaire will be required to pay an additional fee based on space pricing as per the 2012 Price List. Failure to comply will result in eviction from the Festival site without refund.

**ELECTRICAL:** The electrical system on site is modular and powered by diesel generators. Food Concessionaires that have requested power will find the connection(s) at their space. If you require more power than you have requested, you will be charged onsite for this additional rental. Payment for extra power is required before connections are made. Final determinations of power use will be made by the Festival electrical supplier.

**ALCOHOL and OTHER BEVERAGES:** The Festival site has certain licensed areas. The Festival shall be the only vendor of alcoholic beverages. Should you experience any difficulties with intoxicated individuals, please refer the matter immediately to a Festival organizer or security personnel. They will resolve the matter. Do not attempt to police the situation. **All non-alcoholic beverage menu items must be purchased through the Festival's official beverage supplier Pepsi Bottling Group. An order form will be provided following the application approval process. All non-alcoholic beverage menu items must be approved by the Festival.**

**PRODUCTS and PRICING:** The Festival reserves the right to limit the quantity of food & beverage styles and types and to determine the number of similar Food Concessionaires. There will be no under-cutting of a competitor's pricing. Should a problem of this nature arise, the Festival will set a fair price, at the Festival's sole discretion, to be observed by all parties. The sale of coffee or coffee related products on site is strictly prohibited. This includes specialty coffees, teas, cold coffee beverages, etc. **All non-alcoholic beverage menu items must be approved by the Festival.**

**SALES REPORTS:** Daily sales reports are required for our records. Daily sales reports should be given to the Festival Special Events Assistant at the end of each day. Failure to complete and submit daily sales reports will harm future applications from the concessionaire.

**GIVE-AWAYS and SPECIAL PROMOTIONS:** Samples of promotional items or give-aways must be provided to the Festival for approval prior to the event.

**PERMITS, REGULATIONS and INSURANCE:** It is the responsibility of the Food Concessionaire to ensure that all necessary permits and insurance forms have been properly obtained with proof provided to the Festival. All Food Concessionaires must follow all federal, provincial and municipal regulations that apply. Deadline for providing the Festival with proof of liability insurance (minimum of \$2,000,000.00 per occurrence) is April 30, 2012. **The Insurance Certificate must name the Tim Hortons Ottawa Dragon Boat Festival as an additional insured and must be in English.** Each Food Concessionaire will be inspected by Health Department and ByLaw Department inspectors on Friday, June 22<sup>nd</sup>, 2012 and must comply with any directions made by them. The Food Concessionaire hereby agrees to indemnify and save the Festival harmless from any claim or action which may arise as a result of the Food Concessionaire not having obtained the necessary permits and/or licenses or as a result of the Food Concessionaire not complying with the applicable health and safety regulations.

It is the Festival's policy that anyone found tearing down prior to the designated time without permission will not be permitted to participate the following year. Once you are ready to exit the site, please notify Festival Staff who will determine the appropriate exit route. This is to avoid blocking roadways and to ensure that vehicles enter and leave safely in an orderly fashion.

**INDEMNITY:** The Food Concessionaire hereby agrees to indemnify and save the Festival harmless from any claims, actions or causes of action arising as a result of any action or actions taken by the Food Concessionaire, or as a result of any action or actions not taken by the Food Concessionaire in connection with the sale and/or distribution of its food and beverages at the Tim Hortons Ottawa Dragon Boat Festival.
